

Environmental Awareness & Response Through Human Action

**WHEN:** Thursday, April 21 from 11 am to 1 pm

**WHERE:** the new Montana Wild learning center in the renovated Stedman Foundry at Spring Meadow State Park.

**WHO:** EVERYONE IS WELCOME! The HSD #1 PEAK students invite the Helena community to attend EARTH Action, an environmental festival.

**WHAT:** The event will feature informational booths, a craft fair, games, Farmers Market and community vendors, speakers, music, food, raffles, and a chance to visit the new Montana Wild facility. Activities will focus on building “**Environmental Awareness & Response Through Human Action.**”

**WHY:** Come and learn about the wonderful world we live on and how to help. Remember, 1 Earth, 7 billion of us, we can't expect her to do it alone!
